Offered Salary	: Negotiable

Job Specification

Education Level	: Under Graduate (Bachelor)
Experience Required	: Not Required
Professional Skill Required	: Web Scraping, Css, Api Development, PHP

Other Specification

- Bachelors in Computer Science or equivalent preferred, but we value expertise over a degree.
- Three years of experience in PHP
- Extensive knowledge of HTTP, GET, POST, HTTP Headers
- Experienced with the integration of third-party APIs and web services
- Proficient regular expressions, XPath and CSS selectors
- Strong command in character encodings, database (SQL & NoSQL), jQuery and other javascript frameworks is a plus
- A team player with strong interpersonal skills, a collaborator who shares knowledge with the peers
- Three years of experience in PHP
- Pay attention to every small detail. You think you do? Did you notice we wrote the second specification twice?
- Must be curious like a cat and creative like a child.

We're basically looking for a PHP Ninja !!!

Job Description

Responsibilities:

- Build large scale crawlers that can crawl through millions of pages
- Manage and refine existing crawlers using PHP and other means such as scrapy, selenium, phantomjs et cetera
- Contribute to the development of the in-house crawling framework
- Work as a part of the team to in planning, designing and the development of the product, improvements, and the new features
- Be a part of something big and push the cutting edge tools even further
- Communicate with the client through e-mail to understand requirements and discuss possible solutions

Why you SHOULD join Grepsr:

- To be a part of driving the future of data analytics
- To solve the real-world data problems
- Empower the clients in their data needs
- Learn, build and grow with great technology
- Collaborate with some of the world's biggest companies on their large-scale projects

Working at Grepsr:

- Competitive compensation including salary and bonus based on personal and company goals
- Open floor plan office at Bhim Plaza, Naxal, conveniently located at the heart of Kathmandu
- Informal working environment and a fun culture (we have PlayStation and what not, seriously)

- Regular company outings, pub evenings and social events
- Free snacks and drinks/tea/coffee
- Regular performance reviews

Note:

- At Grepsr, you won't just grow at your career. You'll be a part of a movement that will forever change the way data drives business
- Salary will be based on the experience and commitment of the candidate with regular performance reviews
