- 

### Job Description

**Build up Nepal** is looking for a Civil Engineer with experience in Stone Masonry construction for rural areas to join our team. We are looking for a responsible person who has solid experience building with stone and also training for stone masons. Your job will be to work to introduce more efficient methods for breaking, shaping and building with stone. The work is about 70% in the field and 30% at our office in Lalitpur.

Duties and responsibilities:

- Introduce more efficient methods for stone shaping and construction in rural areas
- Train and teach local entrepreneurs and masons
- Mobilize and manage the local community
- We are looking for a person who is very hands-on and can work both practically and theoretically
- This is a job where you will be getting your hands dirty

### TO APPLY:

Interested and eligible candidates are requested to forward their updated CV mentioning the position applied to at [info@buildupnepal.com](mailto:info@buildupnepal.com)
