Job Description

Build up Nepal was started right after the earthquakes with the goal to help rural villages rebuild. We believe the best way to rebuild Nepal is by empowering local people and using local materials.

We are looking for a community mobilizer to join our team.

- Traveling to different villages to introduce Earth Bricks and Stone cutting technology
- Conduct meeting with the locals and explain advantages
- Identify entrepreneurs within reconstruction
- Explain the advantages of the new technology
- Help the community get started with their reconstruction work
- The job is 90% in field and 10% from our office in Patan
- We work in all the earthquake affected districts of Nepal.

" Join our team and be a part to of rebuilding Nepal."
