

Fundraising Manager

- **Vacancy for:** 1
- **Posted on:** June 26, 2018
- **Deadline:** July 12, 2018, 11:59 p.m.

Position: Fundraising Manager

Responsible to: Country Director

Role and Responsibilities:

- Conceptualize and develop institutional fundraising strategy for NLR Nepal
- Network and collaborate with Government Institutions, Donor agencies, I/NGOs, Private (individual) donors, and Corporates with funding perspective, nationally and internationally
- Establish and cultivate close relationships with government/corporates/institutions, responding to their requests, updating them about the work of the organization
- Identify potential donors nationally and internationally and conduct research on the prospective donors (through internet, newspapers, magazines, networking etc.)
- Develop quality concept notes, tailored funding proposals, liaising with the program and finance department to develop detailed project proposals & budgets, for submission to Institutional/corporate/Government funding agencies.
- Manage application process
- Participate in Institutional donor meetings
- To promote the work of NLR through presentations, the writing of PR materials, press releases, advertisements and media campaigns.
- To engage, develop and maintain professional relationships with international funding organisations, local business organisations and local companies and other community organisations in order to promote the fund raising activities and organisation profile.
- Ensure that NLR is visible in technical working groups and motivate staff to attend
- Ensure that project-based donor reports are of high quality and fulfil donor requirements
- Review grant agreements, including initial review to ensure donor compliance
- Communication with donors and ensure timely request for adjustments to donor contracts when necessary
- Recording and reporting to donors regularly in appropriate format

Requirements:

- University Master degree from recognized and reputed university
- At least three years of institutional fundraising experience in an I/NGO environment
- Effective proposal writing skills
- Verifiable and successful institutional fundraising, grant management, and donor liaison/reporting track record
- Ability to work independently meeting the deadlines
- Excellent communication, networking and liaison skills
- Experience in corporate and private fund raising
- Well organized, communicative and excellent interpersonal working attitude
- Keen to take initiative and collaborate in a team
- Excellent knowledge and skill of IT including database software
- Fluent in English
