Job Description

Reports to: Digital Marketing Manager

SMP is looking to immediately hire an experienced Graphic Designer who will be responsible to develop visual contents using computer software in order to convey ideas that aware, communicate or capture the consumer's interests. The designer will need to develop creative designs for advertisement, brochures, magazines, and logos. It is also important that the designer has the knowledge about the requirements of the products as well as a sense of responsibility concerning our existing and potential customer and the competition in the market.

Responsibilities:

- Thinking creatively to produce new ideas and concepts
- Interpreting the clients business needs and developing a concept to suit their purpose
- Developing interactive design
- Developing design briefs that suit the purpose of the clients
- Incorporate changes recommended by the clients into the final design
- Create images that identify a product or convey a message
- Fulfill all the duties assigned in time

Skills and Qualification:

- Bachelor's preferred
 - Any specialized degree in Graphic Designing will be considered as a plus point
 - Proven experience as a Graphic Designer but freshers may also apply
 - Knowledge of Photoshop as well as other designing software
 - Proven creative abilities
 - Ability to work under pressure in order to meet the deadlines
 - Ability to communicate and present their ideas
 - Ability to align with company's rules and regulations
 - Ability to work in a team
-
