Job Description

Newspaper editors have the weekly responsibility of deciding which news stories are printed in the paper. Long before the paper is published, the editor assigns reporters to cover the news, checks for accuracy and fairness in the newspaper's articles and writes headlines.

Responsibilities:

- Coordinating online or print publishing cycle and managing content areas
 - Setting publication standards and establishing goals and expectations
 - Suggesting stories and generate headline ideas in alignment with targeted audience's preferences
 - Read copy or proof to detect and correct errors in spelling, punctuation, and syntax
 - Allocate print space for story text, photos, and illustrations according to space parameters and copy significance, using knowledge of layout principles
 - Plan the contents of publications according to the publication's style, editorial policy, and publishing requirements
 - Verify facts, dates, and statistics, using standard reference sources
 - Develop story or content ideas, considering reader or audience appeal
 - Read, evaluate and edit manuscripts or other materials submitted for publication and confer with authors regarding changes in content, style or organization, or publication
 - Comply with media law and ethical guidelines
 - Monitor news-gathering operations to ensure utilization of all news sources, such as press releases, telephone contacts, radio, television, wire services, and other reporters
 - Direct the policies and departments of newspapers, magazines and other publishing establishments
 - Arrange for copyright permissions
-
