Job Description

As the Operation Manager you will be responsible for handling the day-to-day activities of the organization. You will be analyzing the strategies of the organization and also working out a strategy for improving if necessary. The successful candidate will also be liaising with all team members and presenting the feedback to the management. You will be responsible for training new members of the organization. You will also be responsible for tracking employee performance and providing necessary input to the employee and the management. The successful candidate will need to also set and review budgets and manage costs.

If you think you have it in you, if you are a go-getter we are waiting for you.

Note: Picture is mandatory.
