---

### Job Specification

Education Level : Graduate (Masters)  
Experience Required : Not Required

### Other Specification

Build up Nepal is looking for a Sales Manager to connect with INGOs as well as local NGOs for reconstruction projects. We work to rebuild schools, houses and hospitals in rural areas. Your job is to meet with potential clients, build client relationships and convince them to select us as their reconstruction partner.

- Contact with INGOs and local NGOs and promote our organisation and our unique model for reconstruction
  - Take potential customers to field visit to show our work in the villages
  - Write proposals and quotations
  - Correspond with potential customers in e-mail/phone/skype
  - Respond to incoming inquiries and convince them to select us as their reconstruction partner
  - Make meetings and presentations
- 

### Job Description

Our mission is to rebuild broken villages and fight poverty. We are looking for a person who wants to work to rebuild the country and understands construction as well as sales and marketing.

We are looking for someone with at least 4 years of experience in relevant field, having excellent communication skills in both English and Nepali as the work is both about convincing the foreign donors as well as their local partners to choose our organisation for the reconstruction work. Most of the work is based from our office in Kathmandu, but it also involves a lot of field visits to the villages.

#### TO APPLY:

Interested and eligible candidates are requested to forward their updated CV mentioning the position applied to at [info@buildupnepal.com](mailto:info@buildupnepal.com)
