Other Specification

We are recruiting for a **ACCA/ CA/ CPA/ MBA** or any other accountancy qualification to provide support to the ever growing group of qualified accountants in delivering a quality financial accounting, company secretarial service and compliance for a portfolio of clients in the UK. Having experienced significant period of growth in recent times, this is an excellent career-opportunity for an experienced/newly Qualified Accountant looking for their next step in a hugely supportive and forward-thinking firm of accountants.

With big and exciting plans for the future, this would suit an Accountant who is looking to become an integral part of a very focused and driven unit.

Skills and Qualifications:

- Qualified/semi-qualified ACCA/CA/CPA or Masters degree in Finance/Administration/Accounts
 - Proven track record with medium sized accounts
 - Able to work on multiple projects, in a fast paced environment and work effectively to deadlines and time-scales
 - Able to prioritise workloads
 - Strong verbal & written communication skills
 - Experience of working with companies in UK is desirable
-

Job Description

- Preparing statutory annual accounts for sole traders, partnerships and limited companies
- Producing management accounts for clients
- Submitting personal and corporate tax returns
- Planning and completing audit and accounting assignments to a high standard of technical competence and within time/budget constraints.
- Communication with managers and audit/accounts manager to enable consistent work flow and effective work planning
- Undertaking training and supervision of more junior team member
- Maintaining technical competence
- Complying with the firm's operating procedures as laid down in the quality manual and the practice administration manual.
