Experience Required : Not Required

Job Description

Our organization is searching for a talented and young senior WordPress developer to join our team. Our employee would be in charge of converting template designs into websites or WordPress themes and develop custom plugins.

We would like you to be creative and able to create designs from scratch and pitch your own ideas on colors, layouts, site responsiveness and more.

Requirements

- Portfolio that showcases your knowledge
- Multiple years work experience in related field
- Expert WordPress developer
- Ability to code a WordPress site from start to finish
- Must have experience and full understanding of HTML / CSS, WordPress and Photoshop
- Experience with eCommerce systems which include WooCommerce
- Experience with wordpress plugins development
- Strong Knowledge of PHP, jQuery, MySQL, Google Webmaster Tools, UX audits, etc
- Knowledge of best practices in web development, security, optimization, and SEO
- Practical understanding of designing for UX and human interaction
- Proficient understanding of cross-browser compatibility issues and ways to work around them
- Excellent organizational skills and strong attention to detail
- Excellent communication skills, written and oral

How to apply

If our offer sounds appealing to you, here's what we need to approve your candidacy:

- Your resume and completed application
- A cover letter explaining why you think you meet and exceed our requirements. Showcase your creativity with your portfolio; don't be afraid to express yourself just as you are
- Provide us with links to any of your social media properties or websites
