Job Description

American Red Cross Nepal Delegation is looking for a Video Documentation Consultnat. The Video Documentation Consultant will work closely with the Country Representative, Head of Programs, M&E Delegate, other staff of ARC and Nepal Red Cross Society program staff to prepare video documentation on ARC program on the field.

The Consultant/Firm will be responsible to prepare upto 4 sectoral success stories and 3 to 4 case studies - video documentation on American Red Cross "successes"/activities in responding to the 2015 earthquakes in Nepal. During the process, the Consultant/Firm will interview with the respective affected population, ARC staff and consultants, NRCS ERO staff and key stakeholders in the field and will also review documents like reports, case studies, success stories, relevant social media posts, photos etc.

The Consultant/Firm will work under the supervision of the ARC Head of Delegation and liaise closely with Head of Programs (Program Coordinator) and M&E Delegate. The Consultant/Firm will also coordinate with NRCS, ARC, RC/RC movement partners, and other actors as necessary.

Detailed Scope of Work can be requested via email to: janak.arcnepal@gmail.com

TO APPLY,

Please submit a brief description of the process, along with details on human resources, timeline and budget required to accomplish the tasks outlined in this scope of work, by ***August 16, 2016 05:00 PM NST or earlier*** to below address.
